OVERALL COMMENT: Ben Lee did an amazing job during his practicum experience. He maintained a consistent weekly schedule, so the kids always knew when they would see him. He communicated when he would not come to observe, due to other school obligations. He spent an entire day at Sunrise, so he could see examples of all grade levels in music class. He was always professional in appearance and character. He also ended up teaching 2 full music classes, for a total of 60 minutes and he did fabulous!
